

2020 Partnership Opportunities Event and Program Sponsorships

Partner with the Neponset River Regional Chamber by taking advantage of our unique sponsorship opportunities. These packages serve small, medium and large businesses alike and a strategic sponsorship plan can be created for any budget and for any business size. These programs will allow you to raise your company's visibility and credibility while ensuring the Chamber has the financial capacity to carry out its mission on behalf of local business.

Benefits of Partnering with the Chamber:

Publicity – Positive public recognition is something that is built over time. Chamber events and programs are highly publicized...and so are their sponsors. Your company's brand is included in all collateral materials, print and online advertising to ensure that your company name reaches thousands of customers time after time.

Brand Association – Companies that want to be recognized as industry leaders and community partners welcome the benefits of association with important business events. Co-branding with the Chamber adds value to the goodwill and positive brand recognition of your business. If your company seeks to have increased name recognition with professionals, executives, managers and other influential business decision-makers, Chamber events and programs are the answer.

Access to New Business Relationships – The one-on-one marketing aspects of Chamber events and programs allow companies to build relationships with dozens of new clients and customers. Of course, these events are also ideal for renewing and strengthening relationships with existing clients and customers.

The Chamber reserves the right to make sponsorship and date changes to events at our discretion. All sponsorship opportunities are based on a first come, first serve basis and must be contracted in advance. Please note some events have first right of refusal by previous year sponsors.
